

# ÂNE (DONKEY)

## THE CARDS

A game of 54 cards

## AIM OF THE GAME

To get rid of your cards as soon as possible.

## CARD VALUE/ SCORES

The order of the cards is as follows: Ace, 2, 3, 4, 5, 6, 7, 8, 9, 10, J, Q and K.

## THE DEAL

All of the cards are dealt clockwise one at a time to each player.

## THE GAME

The players who have one or several Aces, place these face up on the table.

On each Ace the next card of the same suit is laid in numerical order (from Ace to King).

The players do not have to wait their turn. They may play their cards as soon as they have the chance.

The first to get rid of all his cards wins the game, but the game continues until a loser emerges: the last player to still have cards in his hand.
